### MEMORANDUM

**TO: STAKEHOLDERS IN IUSF DISCUSSIONS  
COMMISSION SECRETARY**

**FROM: SEAN COSTELLO**

**DATE: FEBRUARY 7, 2018**

**SUBJECT: NOTICE OF PUBLIC WORKSHOPS; ORDER NO. 33951  
CASE NO. GNR-T-17-05**

Stakeholders,

In Case No. GNR-T-17-05, Order No. 33951, the Commission ordered two workshops be held, and a deadline for stakeholder position paper submittal, in relation to the future of the Idaho Universal Services Fund (IUSF). We appreciate your time and consideration at the first workshop and in the position papers that were submitted. Commission Staff is now in the process of analyzing the papers and, as a result, would like to propose that the second workshop (scheduled for February 28, 2018) be canceled and an alternate schedule be ordered.

In lieu of the second workshop, Commission Staff will be proposing to the Commission that its summary and report be filed by April 4, 2018, with a 21-day reply period for stakeholders to provide any reply commentary and/or analysis. Staff would also propose that at the end of the reply period, the matter be considered fully submitted for the Commission's deliberation, unless otherwise ordered by the Commission.

Due to its schedule, the Commission will not be holding a public decision meeting until February 20, 2018, during which Staff will propose the above-outlined alternate schedule.

  
Sean Costello  
Deputy Attorney General
