Intercarrier Compensation Replacement §54.304(d)(1).

IPUC File No:

GNR-T-20-01

Dear Ms. Hanian:

As you may know, I represent the Idaho Telecom Alliance ("ITA"). The ITA is assisting its member companies in making this filing pursuant to 47 C.F.R. §54.304(d)(1) of the Federal Communications Commission's rules. Enclosed are the projected eligibility data for CAF ICC funding for July 1, 2020 through June 30, 2021 for the following companies: Albion Telephone Company, Cambridge Telephone Company, Custer Telephone Cooperative, Inc., Direct Communications Rockland, Inc., Farmers Mutual Telephone Company, Midvale Telephone Company, Project Mutual Telephone Cooperative Association, Inc., and Rural Telephone Company. Other companies may have filed this information separately from this filing.

These projections include any true-ups associated with earlier filing periods. The projections have also been filed with the Federal Communications Commission and the Universal Service Administrative Company, as the administrator of the Federal Universal Service Fund. It is filed with the Idaho Public Utilities Commission as an information filing only and no action is required or requested.

In addition to the redacted electronic filing, a hard copy of certain documentation which is considered trade secret and confidential pursuant to Section 74-107(1) of the Idaho Code, will be sent by mail to the Daniel Klein, telecom analyst, on yellow paper in sealed envelopes.

If you have any questions regarding this filing, please feel free to contact me.

Sincerely.

Cynthia A. Melillo
