Equipment Description

Broadband services offered: TEK-RF, LLC provides support services for related entities, Tekfinity, LLC and Tek-Hut, Inc., which provide fixed wired and wireless broadband internet services to customers in Southern Idaho.

Network description: Beginning in 2018 TEK-RF, LLC began providing 2-way radio and related services to customers. It utilizes the Tek-Hut, Inc. and Tekfinity, LLC networks to provide those services.

Transmission rate: Our core network is capable of transmitting over 1 Gbps of traffic, which allows us to deliver anywhere from 1Mbps to 50Mbps to our customers.

Number and percentage of Idaho customers served: TEK-RF, LLC added approximately 250 customers in 2018. We only serve customers in our service area.

Equipment list: See attached broadband equipment list.

I hereby certify that I have read the applicable statutes for broadband investment income tax credit and believe that the equipment listed herein qualifies for the tax credit under Idaho Code 63-30291.

Please review the above information and the attached equipment list and approve the 2018 equipment purchases of TEK-RF, LLC as being eligible for the three percent Idaho Broadband Equipment Tax Credit.
