GVR-T-20-16

Equipment Description

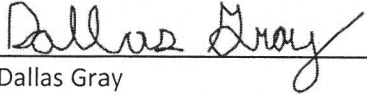

Broadband services offered: Random Investments, LLC does not provide any Internet, it is a real estate holding company. It has vertical assets (towers) that it leases to related parties, Tekfinity, LLC and Tek-Hut, Inc., which provide fixed and wireless broadband internet to customers in Southern Idaho.

Number and percentage of Idaho customers served: Random Investments, LLC's related parties service approximately 2,500 customers in Idaho.

Equipment list: See attached broadband equipment list.

I hereby certify that I have read the applicable statutes for broadband investment income tax credit and believe that the equipment listed herein qualifies for the tax credit under Idaho Code 63-3029I.

Please review the above information and the attached equipment list and approve the 2019 equipment purchases of Random Investments, LLC as being eligible for the three percent Idaho Broadband Equipment Tax Credit.
