(610) Descriptive document for Functionality in Emergency Situations

Viasat has in place contingency plans for credible emergency situations for each of the major network facilities that are geographically distributed across the United States. These plans contain activation, required staffing, escalation, and communication procedures to deal with such emergencies. Additionally, all of the company's ground-based facilities are equipped with independent power generators and sufficient fuel to operate for several days so as to mitigate power outages. The design of these facilities contains multiple levels of redundancy and autonomy that also mitigate the need for dedicated human interaction.

(1210) Terms & Conditions of Voice Telephony Lifeline Plans

This Viasat Lifeline Program only applies to customers who are qualified to, and are receiving, Viasat Internet or Voice Service through a federal or state Connect America Fund program, or other similar program as designated by Viasat, and through a state or federal lifeline program ("Lifeline Service"). For Lifeline Service, all terms and conditions of the Customer Agreement apply, as well as these supplemental terms:

1. As part of your receiving Lifeline Service, Viasat will discount your monthly Service fee for your Internet or Voice Service the amount of the then current federal or state discount (as applicable). The Lifeline Service discount will appear on your bill as a separate line item labeled **"Lifeline Discount."**
2. You understand that Lifeline is a government assistance program, that the service is non-transferrable, that only eligible consumers may enroll in the program, and the program is limited to one discount per household.
3. You are only eligible for Lifeline Service if you (or your dependent or other person in your household) currently get benefits from the government program(s) listed on the Lifeline Program Application Form (FCC Form 5629) or your annual household income is 135% or less than the Federal Poverty Guidelines (the amount listed in the Federal Poverty Guidelines table on the Lifeline Program Application Form (FCC Form 5629)).
4. You understand that your household can only get one Lifeline Service benefit, and, to the best of your knowledge, your household is not getting more than one Lifeline Service benefit. A "household" is any individual or group of individuals who are living together at the same address as one economic unit. A household may include related and unrelated persons. An "economic unit" consists of all adult individuals contributing to and sharing in the income and expenses of a household. An adult is any person eighteen years or older. If an adult has no or minimal income, and lives with someone who provides financial support to him/her, both people shall be considered part of the same household. Children under the age of eighteen living with their parents or guardians are considered to be part of the same household as their parents or guardians.
5. You agree that if you move you will give Viasat your new address within 30 days. You understand that you must notify Viasat within 30 days if you do not qualify for Lifeline Service anymore, including if:
 - a. You, or the person in your household that qualified, no longer qualify for any reason (such as, no longer qualifying through a government program or based on household income level).
 - b. Either you or someone in your household gets more than one Lifeline Service benefit (including, more than one lifeline broadband internet service, more than one lifeline telephone service, or both lifeline telephone and lifeline broadband internet services).

6. You agree that Viasat can give the Lifeline Service program administrator ("Administrator") all of the information you provided on the Lifeline Program Application Form (FCC Form 5629). You understand that this information is meant to help run the Lifeline Service program and that if you do not let Viasat give it to the Administrator, you will not be able to receive Lifeline Service benefits. You can also apply for Lifeline Service directly with the Administrator through the National Verifier, available at <https://www.lifelinesupport.org/national-verifier/> .
7. Security. You agree to take reasonable measures to protect the security of any devices you connect to the internet through the Service, including, without limitation, maintaining an up-to-date version of anti-virus and/or firewall software to protect your devices from malicious code, programs or other internal components (such as a computer virus, computer worm, computer time bomb or similar component). You expressly agree that if your computer or an internet connected device becomes infected and causes any of the prohibited activities listed in the Acceptable Use Policy, Viasat may immediately suspend your Service until such time as your computer is sufficiently protected to prevent further prohibited activities. You will be fully liable for all monthly fees and other charges under this Agreement during any period of suspension. Although Viasat has no obligation to monitor the Services or its network, Viasat and its authorized suppliers reserve the right to monitor bandwidth, usage, transmissions, and content from time to time in order to operate the Services, identify violations of this Agreement, or protect the Viasat network, the Services and other users of the Services. In all cases, you are solely responsible for the security of any device you choose to connect to the Service, including, without limitation, the security of any data stored or shared on such device(s). Viasat customer service representatives are available to Lifeline customers who need assistance obtaining access to free anti-virus software.
8. All the answers and agreements that you provided on Lifeline Program Application Form (FCC Form 5629) are true and correct to the best of your knowledge. You understand that willingly giving false or fraudulent information to get Lifeline Service program benefits is punishable by law and can result in fines, jail time, de-enrollment, or being barred from the program.
9. Viasat or the National Verifier may have to check whether you still qualify at any time. If you need to recertify (renew) your Lifeline Service benefit, you understand that you have to respond by the applicable deadline communicated to you or you will be removed from the Lifeline Service program and your Lifeline Service benefit will stop.
10. You may transfer your Lifeline benefit to another Lifeline service provider at no charge for the transfer of benefits to another provider.
11. You were truthful about whether or not you are a resident of Tribal lands, as defined in section 2 of the Lifeline Program Application Form (FCC Form 5629).
12. De-enrollment. If you become ineligible for the Lifeline Program, you have an obligation to contact Viasat directly and de-enroll from the Lifeline-supported service. There are several other situations that might result in your being de-enrolled from Lifeline Discounts:
 - a. If Viasat has a reasonable basis to believe that you are no longer eligible, Viasat will send you a notice of impending termination of the Lifeline benefit. You will have 30 days from the date of the impending termination letter to demonstrate continued eligibility by re-certifying your continued eligibility. Viasat must terminate your Lifeline benefit if you fail to demonstrate continued eligibility within the 30-day time period.

- b. If USAC, the administrator of universal service, provides notification to Viasat that you have more than one discounted account, or that more than one member of your household is receiving service, Viasat must de-enroll you from the Lifeline program within five business days.
 - c. You have an obligation to re-certify annually that only one member of your household receives program-supported service and that you continue to be eligible. If you fail to respond to Viasat's or the National Verifier's request for certification, Viasat or the National Verifier will provide you with notification that you have 60 days from the date of the notification to provide the requested certification. If you fail to provide the requested certification within the 60-day notification period, Viasat will de-enroll you from the Lifeline program within five business days from the end of the 60-day notification period.
13. Viasat Voice. Viasat Voice provides unlimited local and long distance calling to destinations in all 50 states, plus Canada. Fees apply for calls outside of these locations. You may contact Viasat at [number to be provided] to block calls that could result in additional fees. Call blocking, also known as toll limitation, is offered at no charge to Lifeline customers. Further, you may purchase a battery backup; we offer 8- and 24-hour options for a one-time fee of \$___ and \$___ respectively.
14. EasyCare Plan is optional for Lifeline subscribers. Viasat will provide EasyCare to Lifeline subscribers who elect the service free for the first 90 days. For more detail, see the EasyCare Plan Addendum.
