IDAHO PUBLIC
UTILITIES COMMISSION

Dear Ms. Noriyuki:

Pursuant to the Federal Communications Commission's *Report and Order*¹ requiring eligible telecommunications carriers to re-certify the eligibility of their Lifeline subscribers and to report the results to the Federal Communications Commission, Universal Service Administrative Company and to state commission and Tribal governments, CenturyTel of Idaho dba CenturyLink hereby submits its 2021 Lifeline re-certification results for the state of Idaho.

Please note that the results are provided separately for each FCC study area. In addition, the numbers being reported this year are mostly zero as we are no longer handling the verifications and recertifications. The Lifeline National Eligibility Verifier (National Verifier) has taken over these functions for all states except the Opt-out-states of Oregon and Texas. Per USAC's instructions, we are still completing and filing the Form 555 reports; only we are filling them in with zeros where the National Verifier has taken over.

Please do not hesitate to contact me at (303) 992-5810 or via e-mail at timothy.kunkleman@lumen.com should you have any questions regarding this filing.

Sincerely,

/s/ Timothy D. Kunkleman
