PRICE LIST FORMAT

A. Page Numbering - Page numbers appear in the upper right corner of the page. Pages are numbered sequentially. However, new pages are occasionally added to the price list. When a new page is added between pages already in effect, a decimal is added. For example, a new page added between pages 14 and 15 would be 14.1.

B. Page Revision Numbers - Revision numbers also appear in the upper right corner of each page. These numbers are used to determine the most current page version. For example, the 4th Revised Page 14 cancels the 3rd Revised Page 14. Consult the Check Sheet for the page currently in effect.

C. Paragraph Numbering Sequence - There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:

- 2.
- 2.1
- 2.1.1
- 2.1.1.A.
- 2.1.1.A.1.
- 2.1.1.A.1.(a)
- 2.1.1.A.1.(a).I.
- 2.1.1.A.1.(a).I.(i)
- 2.1.1.A.1.(a).I.(i).(1)

D. Check Sheets - The Check Sheet lists the pages contained in the price list, with a cross reference to the current revision number. When new pages are added, the Check Sheet is changed to reflect the revision. All revisions made in a given filing are designated by an asterisk (*). There will be no other symbols used on this page if these are the only changes made to it (i.e., the format, etc. remain the same, just revised revision levels on some pages.) The price list user should refer to the latest Check Sheet to find out if a particular page is the most current.

SECTION 2 -RULES AND REGULATIONS, CONT'D.**2.9 Installation**

Service is installed upon mutual agreement between the Customer and the Company.

2.10 Payment for Service

The Customer is responsible for payment of all charges for services and equipment furnished to the Customer or to an Authorized User of the Customer by the Company. All charges due by the Customer are payable to the Company or to the Company's authorized billing agent. Terms of payment shall be according to the rules and regulations of the billing agent and subject to the rules of regulatory agencies, such as the Idaho Public Utilities Commission. Any objections to billed charges must be reported to the Company or its billing agent. Adjustments to Customer's bills shall be made to the extent that circumstances exist which reasonably indicate that such changes are appropriate.

The Company's bills are due upon receipt. Amounts not paid within 30 days from the due date of the invoice will be considered past due. If a Customer presents an undue risk of nonpayment at any time, the Company may require that Customer to pay its bills within a specified number of days and to make such payments in cash or the equivalent of cash.

2.11 Interconnection

Service furnished by the Company may be connected with the services or facilities of other carriers. Such service or facilities, if used, are provided under the terms, rates, and conditions of the other carrier. The Customer is responsible for all charges billed by other carriers for use in connection with the Company's service. Any special interface equipment or facilities necessary to achieve compatibility between carriers is the responsibility of the Customer.

SECTION 2 -RULES AND REGULATIONS, CONT'D.**2.12 Refusal or Discontinuance by Company**

The Company may refuse or discontinue service under the following conditions provided that, unless otherwise stated, the Customer will be given 15 days notice to comply with any rule or remedy any deficiency:

- (a) For non-compliance with or violation of any State, municipal, or Federal law, ordinance, or regulation pertaining to telephone service.
- (b) For the use of telephone service for any other property or purpose other than that described in the application.
- (c) For neglect or refusal to provide reasonable access to the Company or its agents for the purpose of inspection and maintenance of equipment owned by the Company or its agents.
- (d) For noncompliance with or violation of Commission regulations or the Company's rules and regulations on file with the Commission, provided five (5) days' written notice is given before termination.
- (e) For nonpayment of bills, provided that suspension or termination of service shall not be made without five (5) days written notice to the Customer, except in extreme cases.
- (f) Without notice in the event of Customer or Authorized User use of equipment in such a manner as to adversely affect the Company's equipment or service to others.
- (g) Without notice in the event of tampering with the equipment or services owned the Company or its agents.
- (h) Without notice in the event of unauthorized or fraudulent use of service. Whenever service is discontinued for fraudulent use of service, the Company may, before restoring service, require the Customer to make, at his or her own expense, all changes in facilities or equipment necessary to eliminate illegal use and to pay an amount reasonably estimated as the loss in revenues resulting from such fraudulent use.
- (i) Without notice by any reason of any order or decision of a court or other government authority having jurisdiction which prohibits carrier from furnishing such services.

SECTION 2 -RULES AND REGULATIONS, CONT'D.**2.13 Interruption of Service**

Credit allowances for interruptions of service which are not due to the Carrier's testing or adjusting, to the negligence of the Customer, or to the-failure of channels, equipment or communications systems provided by the Customer, are subject to the general liability provisions set forth in Section 2.4 herein. It shall be the obligation of the Customer to notify carrier immediately of any interruption in service for which a credit allowance is desired by Customer. Before giving such notice, Customer shall ascertain that the trouble is not within his or her control, or is not in wiring or equipment, if any, furnished by Customer and connected to Carrier's terminal. Interruptions caused by Customer-provided or Carrier-provided automatic dialing equipment are not deemed an interruption of service as defined herein since the customer has the option of using the long distance network via local exchange company access.

2.14 Inspection, Testing, and Adjustment

Upon reasonable notice, the facilities provided by the Carrier shall be made available to the Carrier for tests and adjustments as may be deemed necessary by the Carrier for maintenance. No interruption allowance will be granted for the time during which such tests and adjustments are made.
