)

On November 8, 2023, Intrado Communications, LLC (“Company”) notified the Idaho Public Utilities Commission (“Commission”) that it is changing its name with the Idaho Secretary of State, to Hypercube Networks, LLC. The Company requested that the Commission update the Company name in all Commission records including the Company’s Certificate of Public Convenience and Necessity (“CPCN”).

Commission Staff (“Staff”) reviewed the Company’s filing and supporting documentation and recommended that the Commission issue an amended CPCN No. 407 to reflect the Company’s desired name of Hypercube Networks, LLC. Staff verified that the Company received the Certificate of Amendment of Foreign Registration from the Idaho Secretary of State. Staff also reviewed the Company’s proposed updated Schedule Idaho PUC NO. 4-T and the Company’s notice to its customers. After reviewing the record, Staff did not believe that the Company’s proposed name change would affect its rates, conditions, or other material terms of the Company’s service to its customers. Accordingly, Staff recommended that the Commission approve the Company’s request.

COMMISSION DECISION

The Commission has jurisdiction over CPCNs. *Idaho Code* § 61-526; IDAPA 31.01.01.114; Order No. 26665. Based on our review of the Company’s filing and Staff’s recommendation, the Commission finds it appropriate to amend CPCN No. 407 to reflect that the Company has changed its name to Hypercube Networks, LLC.

ORDER

IT IS HEREBY ORDERED that CPCN No. 407 shall be amended to reflect the holder’s name: Hypercube Networks, LLC. An amended CPCN shall be issued to reflect the new name.
