The Idaho Secretary of State approved its filing on the same day. *Id.* at 12. Under its new name, the Company registered to do business in Idaho on August 9, 2021. *Id.* at 8-9. The Secretary of State approved its registration on that same day. *Id.* at 6-7.

Under the Certificate, the Company provides local telecommunications services including basic local exchange services within Idaho. *See* Order No. 33663 at 1. Converting to a limited liability company did not result in a change to the rates, terms, and conditions of the services that the Company offers to customers. Application at 1. Updated tariff title pages changing the Company's name were also attached to the Application. *Id.* at 1-5.

Staff has reviewed this documentation and recommended that the Commission amend Certificate No. 337 to reflect the Company's name change.

Based on our review of the Company's filing and Staff's recommendation, the Commission finds it appropriate to amend Certificate No. 337 to reflect that the Company has changed its name to MCImetro Access Transmission Services LLC dba Verizon Access Transmission Services.

ORDER

IT IS HEREBY ORDERED that Certificate No. 337 is amended to reflect that the Certificate holder's name is MCImetro Access Transmission Services LLC dba Verizon Access Transmission Services.

THIS IS A FINAL ORDER.
