

BEFORE THE IDAHO PUBLIC UTILITIES COMMISSION

IN THE MATTER OF MILLENNIUM)
NETWORKS, LLC'S APPLICATION FOR A) CASE NO. MNL-T-20-02
2019 INVESTMENT TAX CREDIT FOR)
INSTALLING QUALIFYING BROADBAND) ERRATA TO
EQUIPMENT) ORDER NO. 34850
)

On December 3, 2020, the Commission issued Order No. 34850 in Case No. MNL-T-20-02. The following changes should be made to that Order:

Page 1, Paragraph 2 READS:

In its Application, the Company states that in 2019 its net investment in qualifying broadband equipment was \$457,717.12. Application, Attachment 1. The Company asserts it made certain investments that constitute “qualified broadband equipment”. Application at 2; *see Idaho Code* § 63-3029I(3)(b). The Company states its transmission rate of 15,000,000 bits per second and higher for subscriber uploads and 3,000,000 bits per second and higher for downloads meets the required rates of 200,000 bits per second to a subscriber and 125,000 bits per second from a subscriber. Application at 2. The Company estimates that more than 50% of its Idaho customers have access to its broadband network. *Id.* Finally, the Company certifies that the equipment it lists in its Application qualifies for the broadband tax credit under *Idaho Code* § 63-3029I. *Id.*

SHOULD READ:

In its Application, the Company states that in 2019 its net investment in qualifying broadband equipment was \$580,329.49. Application, Attachment 1. The Company asserts it made certain investments that constitute “qualified broadband equipment”. Application at 2; *see Idaho Code* § 63-3029I(3)(b). The Company states its transmission rate of 15,000,000 bits per second and higher for subscriber uploads and 3,000,000 bits per second and higher for downloads meets the required rates of 200,000 bits per second to a subscriber and 125,000 bits per second from a subscriber. Application at 2. The Company estimates that more than 50% of its Idaho customers have access to its broadband network. *Id.* Finally, the Company certifies that the equipment it lists in its Application qualifies for the broadband tax credit under *Idaho Code* § 63-3029I. *Id.*

DATED at Boise, Idaho this 5th day of October 2021.

Jan Noriyuki
Commission Secretary
