RE: Oregon Telephone Corporation

Dear Ms. Noriyuki:

This letter is being sent to inform you of a change in responsibilities with Oregon Telephone Corporation. I will be the primary contact for regulatory filings pertaining to Oregon Telephone Corporation going forward. Delinda (DeeDee) Kluser is still with the organization and is also a contact in case of my absence regarding any matter for the company. Please include both DeeDee and I on any communication pertaining to Oregon Telephone Corporation. In addition, Oregon Telephone Corporation is doing business as Rally Networks on a going forward basis. Please continue to use Oregon Telephone Corporation as the entity in which all filings will be processed under. Oregon Telephone Corporation is still the legal entity; however, we have rebranded all of our operations as Rally Networks to create a unified brand within the properties that we own.

Please feel free to reach out to either DeeDee or I with any questions or concerns regarding the above listed changes.

Sincerely,

A handwritten signature in black ink that reads "Jeremy Parrucci".
