INTERCONNECTION AND RECIPROCAL COMPENSATION AGREEMENT

BETWEEN

PROJECT MUTUAL TELEPHONE COOPERATIVE ASSOCIATION, INC.

AND

TELEPORT COMMUNICATIONS AMERICA, LLC

THIS INTERCONNECTION AND RECIPROCAL COMPENSATION AGREEMENT (the "Agreement") is made by and between Project Mutual Telephone Cooperative Association, Inc. ("Company"), an Incumbent Local Exchange Carrier ("ILEC") certificated in the State of Idaho, (the "State"), and Teleport Communications America, LLC, ("TCA") a Competitive Local Exchange Carrier, on behalf of itself and its operating affiliates in the State, and shall be deemed effective as of this 18th day of March, 2021 ("Effective Date"). This Agreement may refer to either Company or TCA as a "Party" or collectively as the "Parties."

In consideration of the mutual promises and covenants contained herein, the sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. GENERAL

- A. Company is authorized to provide local exchange services in the state of Idaho (the "State").
- B. TCA is a registered provider of competitive local exchange services in the State.
- C. The Parties enter into this Agreement to interconnect their facilities and exchange traffic for the purposes of fulfilling their obligations pursuant to Sections 251(a) and (b), and 252 of the Telecommunications Act of 1996 and to replace any and all other prior agreements, both written and oral.

2. DEFINITIONS

As used in this Agreement, the following terms shall have the meanings specified below in this Section:

- A. "Act" - The Communications Act of 1934 (47 U.S.C. § 151 *et seq.*) as amended, including without limitation by the Telecommunications Act of 1996, and as from time to time interpreted in the duly authorized rules and regulations of the Federal Communications Commission (the "FCC").
- B. "Affiliate" - a person, corporation or other legal entity that, directly or indirectly, owns or controls a Party, or is owned or controlled by, or is under common ownership or control with a Party. For purposes of this definition, the term "own" means to have an equity interest (or the equivalent thereof) of equal to or more than 10 percent.
- C. "Non-Access Telecommunications Traffic" - telecommunications traffic exchanged between the Parties, except for telecommunications traffic that is interstate or intrastate exchange access, information access, or exchange services for such access. Non-Access

Telecommunications Traffic includes telecommunications traffic exchanged in Time Division Multiplexing (TDM) format that originates and/or terminates in IP format.

3. TERM OF THE AGREEMENT

- A. The Initial Term of this Agreement shall be two (2) years, beginning on the Effective Date.
- B. Absent the receipt by a Party of written notice from the other Party at least ninety (90) days prior to the expiration of the Initial Term to the effect that such Party does not intend to extend the Initial Term of this Agreement, this Agreement shall automatically renew and remain in full force and effect on and after the expiration of the Initial Term on a year to year basis.
- C. If pursuant to Section 3B, above, this Agreement continues in full force and effect after the expiration of the Initial Term, either Party may terminate this Agreement ninety (90) days prior to the expiration of any renewal term as reflected in Section 3B and after delivering written notice to the other Party of its intention to terminate this Agreement.
- D. In the event of default, the non-defaulting Party may terminate this Agreement in whole or in part provided that the non-defaulting Party so advises the defaulting Party in writing of the event of the alleged default and the defaulting Party does not remedy the alleged default within sixty (60) days or such other time period as the Parties may agree is reasonable under the circumstances after written notice thereof. Default is defined to include:
 - (1) A Party's insolvency or initiation of bankruptcy or receivership proceedings by or against the Party; or
 - (2) A Party's material breach of any of the material terms or conditions hereof, including the failure to make any undisputed payment when due.
- E. Termination of this Agreement for any cause shall not release either Party from any liability which at the time of termination has already accrued to the other Party or which thereafter may accrue in respect to any act or omission prior to termination or from any obligation which is expressly stated herein to survive termination.
- F. If upon expiration or termination of this Agreement other than pursuant to Section 3D above, the Parties are negotiating a successor agreement, during such negotiation period each Party shall continue to perform its obligations and provide the services described herein under this Agreement until such time as the successor agreement becomes effective. The Parties expressly agree that the rates, terms, and conditions of the successor agreement shall be retroactive back to the date of termination of this Agreement or such other time period as the Parties may agree, such that all payments made from the date of termination of this Agreement to the effective date of the successor agreement shall be true-up to comply with the rates, terms and conditions of the successor agreement.

4. COMPENSATION

for TCA-originated traffic.

- B. TCA will not charge Company for the termination of Company-originated, Non-Access Compensation Traffic.

5. METHODS OF INTERCONNECTION

- B. Neither Party will charge rearrangement, reconfiguration, disconnection, termination or other non-recurring fees that may be associated with the initial reconfiguration of either Party's network interconnection arrangement contained in this Agreement.
- C. The Parties will provide Common Channel Signaling (CCS) information to one another for all exchanged Traffic. All CCS signaling parameters will be provided. All privacy indicators will be honored, and the Parties agree to cooperate on the exchange of Transactional Capabilities Application Part (TCAP) messages to facilitate full interoperability of CCS-based features between the respective networks.

Except as otherwise provided for in this paragraph, neither Party shall be liable to the other Party for any indirect, incidental, consequential, reliance, punitive, or special damages suffered by the other Party (including without limitation damages for harm to business, lost revenues, lost savings, or lost profits suffered by the other Party), regardless of the form of action, whether in contract, warranty, strict liability, or tort, including without limitation negligence of any kind whether active or passive, and regardless of whether the Parties knew of the possibility that such damages could result.
- B. A Party's liability for direct damages for breach of this Agreement or for direct damages arising out of performance under this Agreement shall be limited to one million dollars (\$1,000,000.00) in the aggregate during the life of this Agreement, which life shall include performance of the terms of this Agreement after expiration or termination pursuant to Section 3(E) above.

The indemnified Party above: (i) must notify the other Party in writing promptly upon learning of any claim or suit for which indemnification may be sought, provided that failure to do so shall have no effect except to the extent that the other Party is prejudiced thereby; (ii) must provide all information and assistance as reasonably requested by, and at the expense of, the other Party in connection with the conduct of the defense and settlement thereof; and (iii) may participate in such defense or settlement with its own counsel at its sole expense, but without control or authority to defend

or settle. The indemnifying Party shall not take any action, which unreasonably exposes the indemnified Party to a risk of damages, which would not be covered by such indemnity, and may not settle any matter without the prior written consent of the indemnified Party, which shall not be unreasonably withheld.

- C. Notwithstanding anything to the contrary in any agreement between the parties, no indemnification shall arise as to Claims that are paid by the indemnified Party without the express written consent of the indemnifying Party, which consent will not be unreasonably withheld, conditioned or delayed.

14. CONFIDENTIAL INFORMATION

The Parties to this Agreement recognize that they or their authorized representatives may come into possession of confidential and/or proprietary data about each other's business as a result of this Agreement. Any failure by either Party to insist upon the strict performance by the other Party of any of the provisions of this Agreement shall not be deemed a waiver of any of the provisions of this Agreement, and each Party, notwithstanding such failure, shall have the right thereafter to insist upon the specific performance of any and all of the provisions of this Agreement.
- E. Assignment. A Party may not assign this Agreement other than to an Affiliate without the prior written consent of the other Party, which consent shall not be unreasonably withheld or delayed, provided, however, a Party may assign this Agreement, or any portion thereof, without consent to any entity which controls, is controlled by or is under common control with the assigning Party.
