

BEFORE THE IDAHO PUBLIC UTILITIES COMMISSION

IN THE MATTER OF SPRINT)	CASE NO. SPR-T-21-01
COMMUNICATIONS COMPANY, L.P.’S)	
REQUEST FOR CANCELLATION OF)	ORDER NO. 34985
CERTIFICATE OF PUBLIC CONVENIENCE)	
AND NECESSITY NO. 327)	

On February 18, 2021, the Commission received correspondence stating that Sprint Communications Company, L.P. (“Sprint” or “Company”) no longer offers basic local exchange or interexchange services to customers in Idaho and wishes to voluntarily withdraw its Certificate of Public Convenience and Necessity (“CPCN”).

CPCN No. 327 was issued to Sprint on April 22, 1988 authorizing the Company to provide basic local exchange and interexchange services throughout the State of Idaho.

Commission Staff reviewed the Company’s request to cancel its CPCN. Staff recommended the Commission grant the request, withdraw CPCN No. 327 without prejudice, and cancel any price lists on file with the Commission. Decision Memorandum of Daniel Klein dated March 25, 2021.

The Commission finds that Idaho customers would not be harmed by withdrawing CPCN No. 327 from Sprint and cancelling associated price lists, and therefore approves the same.

ORDER

IT IS HEREBY ORDERED that CPCN No. 327 is hereby withdrawn without prejudice and any associated price lists are cancelled.

THIS IS A FINAL ORDER. Any person interested in this order (or in issues finally decided by this order) may petition for reconsideration within twenty-one (21) days of the service date of this order regarding any matter decided in this order. Within seven (7) days after any person has petitioned for reconsideration, any other person may cross-petition for reconsideration. *See Idaho Code §§ 61-626 and 62-619.*
