Re: Telrite Corporation d/b/a Life Wireless
Case No. TEC-T-22-01

Dear Jan Noriyuki:

On June 14, 2022 Telrite filed an Application for Designation as an Eligible Telecommunications Carrier (the "Application") throughout the State of Idaho. Since then, your staff has clarified that certain requirements set forth in Order No. 35126 must be complied with regarding the provision of service in Tribal areas.

Please accept this filing as a Supplement to that Application.

Attached as Exhibit C-2 please find a proposed Tribal Lifeline Service Package for Idaho. Additionally, concurrent with this filing, Telrite is providing a copy of its June 14, 2022 Application together with a copy of this Supplement to each of the five federally recognized tribes in the State of Idaho (the Shoshone-Bannock, the Shoshone-Paiute, the Coeur d'Alene, the Kootenai, and the Nez Perce).

If you have any questions or would like to discuss this matter, please feel free to contact me at the contact information on this letterhead. Thank you for your assistance.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Susan J. Berlin'.
