RE: CASE NO. BRN-W-12-01
COMPLIANCE FILING - TARIFF

As part of the Idaho Public Utilities Commission Order No. 32566, the Commission authorized Brian Water Company to institute a monthly customer surcharge of \$15 for a period of six months with a sum total not to exceed \$4,000. The Company has submitted a revised billing statement for Staff review and approval. In addition, a revised tariff page for Rate Schedule 1 - Recurring Charges has been created to include the Monthly Customer Surcharge. See attachment.

Staff confirms that the new language and rates for Rate Schedule 1 - Recurring Charges and the revised Billing Statement comport with Order No. 32566. Staff recommends approval of the changes and requests an effective date of July 1, 2012 to allow the Company to include the surcharge on its next billing statement.

COMMISSION DECISION

Does the Commission wish to approve the revised tariff with an effective date of July 1, 2012?
