CAPITOL WATER
COMMISSION

Capitol Water Corporation filed an application with the Idaho Public Utilities Commission (PUC) on May 8, 2009 to increase its rates by 1.675% effective July 1, 2009. The request is in response to Idaho Power Company's proposed increase in its Power Cost Adjustment rates to be effective June 1, 2009. Capitol Water will see an increase in its electricity costs of 13% or \$9,967.00 annually. The Capitol Water application is intended only to recover the increase in the power rates and the Company's cost of making application for the change to the PUC. The Application is on file for review at the Company's office at 2626 Eldorado Street. The Application is also available for review at the PUC located at 472 W. Washington Street, Boise or on-line at www.puc.idaho.gov. Comments regarding the application should be sent to the Company at 2626 Eldorado Street, Boise, Idaho 83704 and to the PUC at P.O. Box 83720, Boise, Idaho 83720-0074. Comments may also be submitted electronically on the PUC website www.puc.idaho.gov.
