RE: IN THE MATTER OF CAPITOL WATER CORPORATION TO CHANGE
ITS SCHEDULE NO. 3 PURCHASED POWER COST ADJUSTMENT
RATE; CASE NO. CAP-W-21-01.

On November 15, 2021, the Commission issued Order No. 35224 in Case No. CAP-W-21-01 authorizing a Purchased Power Cost Adjustment (“PPCA”) rate of 0.89% for Capitol Water Corporation (“Company”) to recover the incremental cost of electricity during 2020 over the amount embedded in the Company’s base rates. The Commission ordered the Company to file conforming tariffs within ten (10) days of the service date of the Order.

On November 17, 2021, the Company filed its conforming Schedule No. 3 Purchased Power Cost Adjustment tariff reflecting the authorized rate approved in Order No. 35224. Staff reviewed the conforming tariff and confirmed that it accurately includes the rates authorized. Staff recommends the Commission approve the filed tariff effective November 15, 2021.

COMMISSION DECISION

Does the Commission wish to approve the Company’s Schedule No. 3 Purchased Power Cost Adjustment tariff reflecting a 0.89% PPCA rate with an effective date of November 15, 2021?
