)	

On October 9, 2024, Capitol Water Corporation (“Company”) applied for authority to change its Purchased Power Cost Adjustment (“PPCA”) rate collected through Schedule No. 3— Other Recurring and Non-recurring Charges (“Schedule No. 3”) to recover the 2023 electricity costs that exceeded what it collected in rates that year.

On December 30, 2024, the Commission issued Order No. 36437 authorizing the Company to update its PPCA rate to 3.33% to allow the Company to recover its 2023 electricity costs that exceeded the amount embedded in the Company’s base rates that year. The Commission ordered the Company to file an updated Schedule No. 3 within 15 days of the service date of Order No. 36437.

On January 10, 2025, the Company filed an updated Schedule No. 3 reflecting the authorized PPCA rate approved in Order No. 36437.

On January 21, 2025, Commission Staff (“Staff”) presented a Decision Memorandum recommending the Commission approve Schedule No. 3, as filed in compliance with Order No. 36437, effective January 1, 2025.

Having reviewed the Company’s filing and Staff’s subsequent recommendation, the Commission issues this Order approving Schedule No. 3, as filed.
