- Increase flat rate residential /commercial rates from \$17 per month to \$25 per month.
- Increase metered residential/commercial rates from \$0.60 per thousand gallons for all consumption in excess of 30,000 gallons per month to \$0.60 per thousand gallons for all consumption in excess of 15,000 gallons to 25,000 gallons and \$0.70 per thousand gallons for all consumption in excess of 25,000.
- Increase flat rate Condo with no landscape from \$15.75 per month to \$23.75 dollars per month.
- Increase metered landscape rates for Condo's from \$20.00 per month to \$23.75 per month during the months of use.
- Increase metered landscape rates for Condo's from \$0.60 per thousand gallons for all consumption used in excess of 30,000 gallons per month to \$0.60 per thousand gallons for all consumption used in excess of 15,000 to 25,000 gallons and \$0.70 per thousand gallons for all consumption used in excess of 25,000 gallons.
- Increase hook up fee from \$500 dollars to \$750 per hook up.
- Increase reconnection fee from \$14 per reconnection during normal business hours and \$28 at all other times to \$50 per reconnection during normal business hours and all other times.

There has not been a rate increase since 1990 when the IPUC established the first base rate for Country Club Hills Utilities. Since 1990 Country Club Hills Utilities has provided uninterrupted water service at the highest quality level possible. Our record in that regard has been excellent to the degree that our financial ability has allowed. Country Club Hills Utilities would like to continue to provide this level of quality service and will do all that is necessary to maintain this level of quality service.

This application is a proposal, subject to public review and a Commission decision. A copy of the application is available for review at the office of the Commission or by appointment only at the office of Country Club Hills Utilities by calling (208) 529-5000.
