Please describe your comment briefly:

CCHU did not submit a copy of it's customer notice with it's application on 4/6/12 because notice was not provided to the customers until 5/1/12. Further, the notice states no rate increases have occurred since 1990, yet this EXACT same language was in the customer notice of rate increase submitted March 16, 2005...

CCHU should be required to show evidence that continuing operational expense increases warrant a commensurate rate increase prior to being granted a rate increase.
