

BEFORE THE IDAHO PUBLIC UTILITIES COMMISSION

IN THE MATTER OF EAGLE WATER)
COMPANY’S APPLICATION FOR) CASE NO. EAG-W-15-01
AUTHORITY TO IMPLEMENT A)
CUSTOMER SURCHARGE) ORDER NO. 33911

In November 2015, Eagle Water Company filed an Application seeking authority to implement a 53.82% surcharge on its customers’ water usage. The Commission suspended the effective date until March 10, 2016. Order No. 33430. The Company subsequently agreed to several further suspensions. *See* Order Nos. 33478, 33509. On August 10, 2016, the Commission approved a stipulation between the Company and Staff to stay all proceedings in this matter for one year, or “until such a time that the parties file a joint motion to lift the stay.” Order No. 33567.

In August, the parties reported that a full settlement had been reached. Staff has reported that settlement documents and supporting testimony are still being finalized, and requested an indefinite stay of proceedings until those document can be produced and presented to the Commission for approval.

COMMISSION FINDINGS

We find good cause to grant the Motion and stay proceedings in this matter. No party will be prejudiced by the stay, and no harm will come to ratepayers as a result. We will consider lifting the stay upon the filing of settlement documents. Accordingly, pursuant to the Commission’s authority under *Idaho Code* § 61-622(4) and Rules 248 and 256 (IDAPA 31.01.01.248, .256), we grant the Joint Stipulation and Motion.

ORDER

IT IS HEREBY ORDERED that proceedings in this matter are stayed.

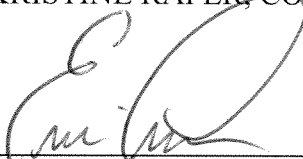

DONE by Order of the Idaho Public Utilities Commission at Boise, Idaho this *12th*
day of October 2017.
