**Name of Utility Company:** Eagle Water Co.

**Comment:** Please do not allow the sale of Eagle Water Company to Suez. We have clean, great tasting water at very economical cost. Never in 18 years at this address have we had any water issues. Nothing I've read about Suez is comforting to me; they cannot improve customer service, I don't use on-line service and Eagle Water must already monitor the system 24 hours as before mentioned, no issues have ever come up. An alternative would be the City of Eagle buys the system from Eagle Water.

Thank you.
