Subject: Falls water rate **FLS-W-23-01**

CAUTION: This email originated outside the State of Idaho network. Verify links and attachments BEFORE you click or open, even if you recognize and/or trust the sender. Contact your agency service desk with any concerns.

Why does Falls water need to raise their rates? Were already having to deal with high inflation this is something that doesn't need to happen. Please sent this petition for raising rates. They are already making enough money as it is without needing having this rate increase.
