Comment: "I have filed a complaint earlier, but need to add to it before a decision has been made. I'm on a fixed income. Social Security has increased, but the cost of groceries, gas, electric and everything else doesn't keep of with everything that has increased. It seems that everyone I speak to wants more money. I can't keep up with every increase. Please take into consideration what I'm saying. I do not know why they are asking such a large increase from residents of Lynnwood Estates of 107%. Why should everyone not have to pay their fair share? Why does the largest increase being asked of us? Please hear my plea, do not increase ours more than everyone else and don't increase our bill so much. Please consider my request, thank you, Cyndie Campbell, 208-661-2473, Lynnwood Estates water customer "
