Comment: "Believe the Hoffman Water Company PUC decision had a serious flaw, in the information provided to the commission. Our water rates were \$27.50 EVERY OTHER MONTH, NOT \$27.50 EACH MONTH. What was \$180-\$190 annual fee including overusage, will now be \$420 plus however the nearly 400% increase in overage, reduction in usage affects each residence, likely well over \$500 per residence. The original approximate increase requested of 69%, does not compute with what was approved, not even close."
