BEFORE THE IDAHO PUBLIC UTILITIES COMMISSION

IN THE MATTER OF THE JOINT)	CASE NOS. SUZ-W-18-02
APPLICATION OF SUEZ WATER)	EAG-W-18-01
IDAHO AND EAGLE WATER)	
COMPANY FOR THE ACQUISITION)	INTERVENOR CITY OF EAGLE'S
OF EAGLE WATER COMPANY)	COMMENTS ON PROPOSED
)	SETTLEMENT
)	

The City of Eagle supports the Proposed Settlement entered into by SUEZ, Eagle Water Company, and the PUC staff. The Proposed Settlement provides for a seven-year rate phase in for existing Eagle Water Company customers who would be transitioning to receive water service from SUEZ, and also includes a refund to existing Eagle Water Company customers to further help offset the initial increase in rates for those customers moving to SUEZ.

The City of Eagle agrees with and supports the Commission's adoption of the terms of the Settlement and the approval of SUEZ's acquisition of the assets of Eagle Water Company upon the terms set forth in the Settlement.

The City of Eagle further supports the Proposed Settlement because the adoption of the Proposed Settlement by the Commission will support and aid the implementation of the Water Management Agreement separately agreed to by SUEZ and the City of Eagle as part of the

resolution of the City's litigation with the Eagle Water Company and SUEZ concerning the current transaction now pending before the Commission.

These comments of the City of Eagle are provided for the purposes of this PUC proceeding only; the City specifically reserves its right to take and state other positions in any other proceeding or context if the Settlement is not accepted or adopted by the Commission or if SUEZ ultimately does not proceed with the acquisition of the assets of Eagle Water Company.
