Name of Utility Company: Eagle Water Co.

Case ID: EAG-W-18-01

Comment: "I oppose the acquisition of Eagle Water by Suez, a foreign for profit entity. In my opinion the sale of a community utility poses a national security risk if it is owned by a foreign entity. In addition, Suez Water has a verifiable poor track record of customer service, maintenance of infrastructure and price hikes. Please do not approve this poorly thought out sale. Thank you."
