Comment: "As a homeowner in Eagle, I am opposed to the proposed acquisition of Eagle Water Company by Suez Water. There is nothing "gradual" or reasonable about a doubling of water rates over two years and a quadrupling of those rates over five years. I've never been a Suez customer but from what I've seen here and read about them recently in Boise, they seem to take the attitude that they should "ask for the moon" in the hopes of getting half a loaf. I would rather have a more customer-focused company in charge of our water. Thank you for your consideration. Steve McCarthy 2550 E. Mariposa Drive Eagle, ID 83616 "
