## Final notice-Water termination

Account number  
Service address

Termination date

Balance due \$

You were recently notified that you are delinquent in payment for water services provided to you by Syringa Water Inc. The balance owed on your account is indicated above.

If this balance is not paid , or if payment arrangements have not been made before the date shown above, then your water service will be disconnected .

To avoid termination of service, you must contact Syringa Water Inc. before the termination date to make a payment arrangement, or pay in full. Please call on weekdays between 9 am and 6 pm.

Termination may be delayed by;

1. providing a medical certificate advising us of the existence of a medical emergency; or
2. Filing a complaint regarding the proposed termination with the Idaho Public Utilities Commission, P O Box 83720, Boise Id. 83720-0074, (800 432 0369 or 208 334 0369)

Service will not be terminated prior to resolution of a filed complaint. Termination of service does not relieve you of your obligation to pay for all services prior to termination.

Should service be terminated, a charge for restoration of service of \$ during regular office hours, or \$ For other than regular business hours must be paid in addition to the account balance prior to restoration of service. A deposit may also be requested.

**If you are unable to pay your bill in full, Syringa Water Inc. may assist you by making payment arrangements.**

**Remember, your water will be turned off on or after the termination date shown above unless you act before that date.**
