Comment: "Re: Case #: SWS-W-23-02 & SWS-W-23-03

We the above request to be added to the signatures on an "Opposition and Comment" form you received on Tuesday, Feb. 6th @ 10:57am, from The Residents of the Stoneridge Community opposing the requested increases from StoneRidge Utilities.

We are both a homeowner and also a Lot Owner (water has not yet been connected to our Lot). We urge you to reject both of the new rate increase requests.

Respectfully,
Rudy & Tina Pelleriti

Comment: "My wife and myself are in agreement with the comments of the Opposition document that was sumitted on behalf of Stoneridge home owners and residents. CDS Stoneridge utilities has a history of these types of actions. I recall a couple of meetings that we attended and remember Esprit Enterprises LLC (Chan Karupiah) stated that all he was concerned about was putting money in his pocket.

We currently are in legal action against Mr Karupiah. This man in my option is not a good Bunises man. the utility Co was debit free when he bought it in 2018. Clearly, he does not have the skills to run a business and or company. I believe the proposed rate increases is in the category of greed and price gouging.
