On January 9, 2025, StoneRidge Utilities LLC (“Company”) filed an application (“Application”) with the Idaho Public Utilities Commission (“Commission”) requesting authority for the Company to borrow \$207,000 from Esprit Enterprises, LLC (“Esprit”). On January 21, 2025, Randolph Garrison filed a Petition to Intervene.

During the Commission’s January 28, 2025, decision meeting, the Commission considered the Application and the recommendation of Commission Staff. Based on its review of the record and all submitted materials, the Commission found good cause to continue the timeframe for prompt disposition of the Application under *Idaho Code* § 61-904. The Commission determined that the record contained multiple issues that required additional time for resolution including the issue of the Company’s required payment for the Application, the status of the Company’s legal representation, Mr. Garrison’s Petition to Intervene, as well as time for the Company to respond to Commission Staff’s recommendation.

ORDER

IT IS HEREBY ORDERED that the timeframe for prompt disposition of the Application under *Idaho Code* § 61-904 is continued for an additional thirty (30) days. The Company shall file any responsive briefing within fourteen (14) days from the date of this Order.

IT IS FURTHER ORDERED that parties comply with Order No. 35375, issued April 21, 2022. Generally, all pleadings should be filed with the Commission electronically and will be deemed timely filed when received by the Commission Secretary. *See* Rule 14.02. Service between parties should continue to be accomplished electronically when possible. However, voluminous discovery-related documents may be filed and served on CD-ROM or a USB flash drive.

DONE by Order of the Idaho Public Utilities Commission at Boise, Idaho this 3rd day of February 2025.
