**TO: COMMISSIONER KJELLANDER  
COMMISSIONER RAPER  
COMMISSIONER ANDERSON  
COMMISSION SECRETARY  
COMMISSION STAFF**

**FROM: BRANDON KARPEN  
DEPUTY ATTORNEY GENERAL**

**DATE: NOVEMBER 22, 2017**

**SUBJECT: TETON WATER & SEWER COMPANY, LLC, REQUEST TO ADD  
THIRD WELL; CASE NO. TTS-W-17-01.**

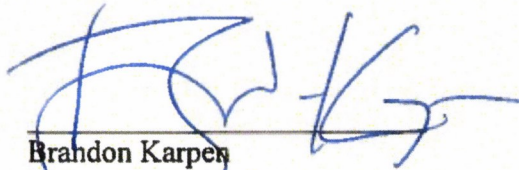

On October 10, 2017, Teton Water & Sewer Company submitted a one-page letter requesting the Commission to review and approve of a proposal to add a third well to its system for the purpose of system redundancy, and also approve recovery of expenses related to the project. No timeline for review of the project was submitted. The Company also requested that this matter be processed by Modified Procedure.

### STAFF RECOMMENDATION

Staff recommends that processing this matter by Modified Procedure is appropriate. Staff recommends that the Commission issue a Notice of Application, setting a 21-day deadline for petitions to intervene, after which Staff would confer with the parties about further scheduling, discovery, and other matters that may arise. Staff will report a proposed schedule to the Commission for approval once it is developed.

### COMMISSION DECISION

Does the Commission wish to issue a Notice of Application, establishing a 21-day intervention deadline, and directing Staff to informally confer with the parties about scheduling?
