) **ORDER NO. 35412**
)

On March 1, 2022, Teton Water & Sewer Company, LLC (“Company”) filed an Application seeking to increase its rates and charges for water service. On March 29, 2022, the Company filed an Amended Application (“Application”). The Company proposed a July 1, 2022, effective date.

On April 25, 2022, Teton Springs Homeowner’s Association (“Teton Springs”) petitioned to intervene (“Petition”) in the case.

On April 27, 2022, the Company filed a Motion to Withdraw its Application (“Motion”) pursuant to Rule 68, IDAPA 31.01.01.068. The Company’s Motion cited customer concerns about the proposed rate increase and the possibility that future growth could pay for repairs to its system rather than current customers. Nobody answered or otherwise replied to the Motion.

At the May 10, 2022, Decision Meeting, the Commission granted the Company’s Motion and dismissed Teton Springs’ Petition.

COMMISSION DECISION AND FINDINGS

The Commission has jurisdiction over this matter and the issues in this case under Title 61 of the Idaho Code. Specifically, the Commission regulates “public utilities,” including “water corporations” that serve the public or some portion thereof for compensation. *See Idaho Code* §§ 61-125, -129, and -501.

We find that no one would be harmed by granting the Company’s Motion to withdraw its case. The Company is free to file a rate case whenever it feels it is appropriate, therefore the Company may choose to withdraw its Application if it feels it is not the right time to do so. Additionally, Teton Springs may petition to intervene in any subsequent cases filed by the Company.

ORDER

IT IS HEREBY ORDERED that the Company's Motion to withdraw its Application in Case No. TTS-W-22-02 is hereby granted.

IT IS FURTHER ORDERED that Teton Springs' Petition is dismissed.

DONE by Order of the Idaho Public Utilities Commission at Boise, Idaho this 23rd day of May 2022.
