On August 9, 2021, the Idaho Public Utilities Commission (“Commission”) issued Order No. 35130, in Case No. SUZ-W-21-02, approving the removal of a 520-acre area in unincorporated Ada County from SUEZ Water Idaho, Inc.’s (“SUEZ” or “Company”) Certificate of Public Convenience and Necessity (“CPCN”) No. 143, and approving a new water management agreement between the Company and City of Eagle. The Company was not ordered to file an amended CPCN No. 143.

On December 9, 2021, the Commission issued Order No. 35247, in Case Nos. SUZ-W-18-02 and EAG-W-18-01, approving the Company’s acquisition of Eagle Water Company. The Company was ordered to file an amended CPCN No. 143 that included the acquired Eagle Water Company service territory.

On April 8, 2022, the Company filed Case Nos. SUZ-W-22-01 and VEO-W-22-01, requesting to change its name and operate as Veolia Water Idaho, Inc. As part of those proceedings, Commission Staff (“Staff”) recommended that the Company comply with Order No. 35247 and file an amended CPCN No. 143 that contained an up-to-date service territory. On August 16, 2022, the Company filed a revised CPCN No. 143 in Case Nos. SUZ-W-22-01 and VEO-W-22-01.

On October 4, 2022, Staff submitted a Decision Memorandum to the Commission recommending the Commission accept the Company’s revised CPCN No. 143.
