---

On August 18, 2022, Veolia Water Idaho, Inc. (“Company”) applied to amend Brian Water Subdivision Surcharges and to refund customers due to a computational error that produced an incorrect overpayment of \$2.87 for bimonthly customers (\$1.43 for monthly customers).

On September 16, 2022, the Commission issued a Notice of Application and Modified Procedure, setting public comment and Company reply deadlines. Commission Staff (“Staff”) filed comments to which the Company replied. No other comments were received.

On December 20, 2022, the Commission issued Order No. 35636 in this case authorizing an amendment to the Company’s Schedule No. 1C – Brian Subdivision Surcharge to reflect the correct surcharge amount and to include a statement explaining that a customer’s surcharge will end when the customer’s surcharge balance is paid in full. The Order directed the Company to file conforming tariffs with the correct monthly and bi-monthly surcharge amounts and a statement about the surcharge ending when the customer’s balance is paid in full included.

At the Commission’s January 3, 2023, Decision Meeting, Staff filed a Decision Memorandum representing that on December 22, 2022, the Company filed conforming tariffs, which included the correct monthly and bi-monthly surcharge amounts, and the statement as direct in Order No. 35636. Staff noted that it reviewed the Company’s proposed Schedule No. 1C and stated that it complied with the Commission’s Order. Accordingly, Staff recommended the Commission approve the filed tariff Schedule No. 1C effective December 20, 2022.
