Comment: "I want to express my support for the proposed action for Veolia Water Co. to take over ownership and maintenance of the fire hydrants in the Whitney Fire Protection District. As the former fire chief of the Whitney Fire District I am aware not only of the importance of having functioning fire hydrants for the residents of the District, but also of the challenge of installing and maintaining those hydrants. I have watched Veolia's efforts in providing fire hydrant maintenance for the Boise Fire Department and support the Whitney Fire District's request to have Veolia own and maintain the District's fire hydrants.

Thank you.

Renn Ross"
