**SUBJECT: IN THE MATTER OF VEOLIA WATER IDAHO, INC.'S APPLICATION
FOR APPROVAL OF FIRE HYDRANT CONVEYANCE, INSTALLATION,
AND OPERATION AGREEMENT; CASE NO. VEO-W-23-04.**

On October 20, 2023, Veolia Water Idaho, Inc. ("Company") applied for Commission approval of a Fire Hydrant Conveyance, Installation, and Operation Agreement ("Agreement") between the Company and Whitney Fire Protection District ("District").

On March 28, 2024, the Commission issued Order No. 36122, approving the Company's Agreement subject to a compliance filing made within 30 days of issuance of that order. The order also noted that, should the Commission accept the Company's compliance filing, the effective date of the Agreement would be 30 days after the Commission order approving the compliance filing.

On April 18, 2024, the Company Petitioned for Reconsideration and requested that certain language be changed in Order No. 36122.

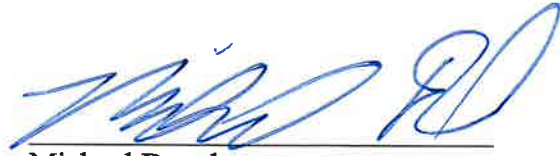

On April 26, 2024, the Company submitted a compliance filing in response to Order No. 36122.

STAFF RECOMMENDATION

Staff reviewed the Company's compliance filing with the modified language to the definition of Private Hydrants within the Agreement. Staff believes that it complies with Order No. 36122 and recommends the Commission approve the compliance filing submitted by the Company on April 26, 2024, as filed, with an effective date 30 days after Commission order.

COMMISSION DECISION

Does the Commission wish to approve the compliance filing submitted by the Company on April 26, 2024, as filed, with an effective date 30 days after Commission order?
