

BEFORE THE IDAHO PUBLIC UTILITIES COMMISSION

IN THE MATTER OF HOMECRAFT)	CASE NO. VEO-W-25-02
HOMES, LLC'S FORMAL COMPLAINT)	
AGAINST VEOLIA WATER IDAHO, INC.)	ORDER NO. 36743
)	

On June 13, 2025, Homecraft Homes, LLC ("Homecraft") filed a formal complaint ("Complaint") with the Idaho Public Utilities Commission ("Commission") against Veolia Water Idaho, Inc. ("Company") concerning the number of meters required under the Company's tariffs to service accessory dwelling units ("ADUs") attached to main homes by an unenclosed roof.

On August 12, 2025, the Commission issued Interlocutory Order No. 36705, providing Homecraft with 14 days to retain counsel and file a Notice of Representation.

We now issue this Final Order dismissing the Complaint without prejudice.

DISCUSSION AND FINDINGS

Commission Rule of Procedure 43 provides that in a quasi-judicial proceeding before the Commission, such as a formal complaint, "[a] partnership or corporation shall be represented by a licensed attorney." Homecraft is a limited liability company and is therefore required to have legal representation to maintain its Complaint. Homecraft's Complaint does not indicate that it is currently represented by a licensed attorney in this matter.

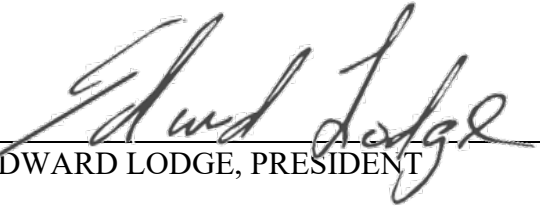

Homecraft did not file a Notice of Representation within the allotted 14 days from the service date of Interlocutory Order No. 36705. Because Homecraft has not demonstrated compliance with Commission Rule of Procedure 43, we find it appropriate to dismiss the Complaint.

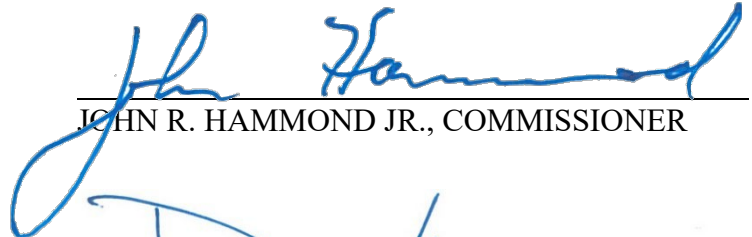

ORDER

IT IS HEREBY ORDERED that Homecraft's Complaint against the Company is dismissed without prejudice for the reasons set forth above.

THIS IS A FINAL ORDER. Any person interested in this Order may petition for reconsideration within twenty-one (21) days of the service date of this Order regarding any matter decided in this Order. Within seven (7) days after any person has petitioned for reconsideration, any other person may cross-petition for reconsideration. *See Idaho Code* § 61-626.

DONE by Order of the Idaho Public Utilities Commission at Boise, Idaho this 3rd day of September 2025.

JOHN R. HAMMOND JR., COMMISSIONER
