

BEFORE THE IDAHO PUBLIC UTILITIES COMMISSION

IN THE MATTER OF THE ASSESSMENT) CASE NO. F-2025-1
OF PUBLIC UTILITIES FOR THE SPECIAL)
REGULATORY FEES PAYABLE TO THE) ORDER NO. 36545
COMMISSION FOR FISCAL YEAR 2026)
)

In March and April 2025, the Idaho Legislature passed, and the Governor signed, HB 391, SB 1109, SB 1190, and SB 1214, appropriating a total of \$7,771,400 to the Idaho Public Utilities Commission (“Commission”) for Fiscal Year (“FY”) 2026 (July 1, 2025 to June 30, 2026). The total appropriation includes \$7,169,900 from fees assessed on public utilities and railroads; \$382,200 for federal grants; and \$219,300 for indirect funds. This Order assesses the utilities their share of the total appropriation.

For FY 2024, there was a one-time carry-over balance of \$589,000 for regulated utilities. The calculated assessment is \$6,410,900 for FY 2026 utility operations.

During calendar year 2024, the reported gross operating revenues from Title 61 and Title 62 utility operations in Idaho were \$2,884,519,424. This represents a reported revenue increase of approximately \$62.4 million (2.21%) from the prior year. Consequently, for FY 2026, the proportionate share of each regulated utility’s regulatory fee shall be assessed at 0.2223%. In no case shall the proportionate share of any utility’s assessed regulatory fee be less than \$50.00. *Idaho Code* §§ 61-1004(4).

FINDINGS OF FACT

Pursuant to *Idaho Code* §§ 61-1001 et seq. and *Idaho Code* § 62-611, the Commission is authorized to assess \$6,410,900 for supervising and regulating public utilities subject to our jurisdiction.

The total reported gross operating revenues derived from the intrastate utility business for all regulated public utilities for the 2024 calendar year was \$2,884,519,424.

The proportionate assessment for each regulated public utility is 0.2223% of its Idaho gross operating revenue derived from intrastate utility business for the 2024 calendar year. In no case shall the calculated regulatory fee be less than \$50.00 per utility.

ORDER

IT IS HEREBY ORDERED, except as provided in the following paragraph, that each Title 61 public utility and Title 62 telephone corporation operating within the State of Idaho subject to the jurisdiction of this Commission shall pay to the Commission a regulatory fee for the FY 2026 amounting to 0.2223% of its Idaho gross operating revenue derived from intrastate utility business for the 2024 calendar year.

IT IS FURTHER ORDERED that if the regulatory fee assessment any public utility or telephone corporation would be subject to under the assessment is less than \$50.00, then the public utility or telephone corporation shall pay to the Commission the minimum of \$50.00 as prescribed by law. *Idaho Code* § 61-1004(4).

IT IS FURTHER ORDERED that at least one-half of such regulatory fee shall be paid to the Commission on or before May 15, 2025, and any remaining balance shall be paid on or before November 15, 2025.

IT IS FURTHER ORDERED that if the payment is not made by the due dates, the installment or portion thereof so due shall bear interest at the rate of 6% per annum until such time as the full amount is paid (including interest) and such delinquent payment shall be subject to an action in the name of the State for collection. *Idaho Code* § 61-1005.

THIS IS A FINAL ORDER. Any utility objecting to the assessment prescribed in this Order must file a written objection with the Commission no later than May 15, 2025. *Idaho Code* § 61-1007.

///

DONE by Order of the Idaho Public Utilities Commission at Boise, Idaho this 14th day of April 2025.

EDWARD LODGE, PRESIDENT

JOHN R. HAMMOND JR., COMMISSIONER

DAYN HARDIE, COMMISSIONER
