Mr. Gilchrist,

RE: Intermountain Gas Company's (IGC) Response dated March 21, 2018 to Idaho Public Utilities Commission's (IPUC) Notice of Probable Violation (NOPV) dated March 12, 2018.

Thank you for your letter dated March 21, 2018, addressing the findings in the Notice of Probable Violations of the casings that were not in compliance with the leak survey intervals.

IPUC Staff accepts IGC's proposals to bring these items into compliance.

Thank you for the cooperation and support of your staff during this process and for your continued interest in pipeline safety. This NOPV is closed with no further action required. Should you have any questions regarding this action or pipeline safety, you may contact me or call our office at 208-334-0321.

Sincerely,
