## ACCOUNTANT'S COMPILATION REPORT

The Board of Directors  
Cambridge Telephone Company, Inc.  
PO Box 88  
Cambridge, Idaho 83610

We have compiled the accompanying balance sheets of Cambridge Telephone Company, Inc. as of December 31, 2005 and 2004, and the related income and retained earnings statement for the year ended December 31, 2005, included in the accompanying prescribed form, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. We have also compiled the supplementary information, except for pages 1, 2, 18, 19, and 20.

Our compilation was limited to presenting in the form prescribed by the Idaho Public Utilities Commission information that is the representation of management. We have not audited or reviewed the financial statements referred to above and, accordingly; do not express an opinion or any other form of assurance on them.

These financial statements and the supplementary information are presented in accordance with the requirements of the Idaho Public Utilities Commission, which differ from generally accepted accounting principles. Accordingly, the financial statements and supplementary information are not designed for those who are not informed about such differences.

The information contained on pages 1, 2, 18, 19, and 20 has not been audited, reviewed, or compiled by us, and, accordingly, we assume no responsibility for that information.

## NOTES TO THE FINANCIAL STATEMENTS

Please provide important information such as changes in accounting or depreciation practices, extensions or additions to the system; disposal of any substantial portion of the property of the utility; reorganization, mergers, or consolidations with other companies; leases executed; other contracts or agreements entered into; changes made in articles of incorporation or amendments; the occurrence of contingency losses or gains.

1 In 1998, CTC Telecom, Inc. (CTC), a wholly-owned subsidiary of Cambridge Telephone Company, was incorporated, with an initial investment of \$100,000. CTC operates as a Competitive Local Exchange Carrier in the state of Idaho. Additional capital investments of \$900,000 have been made through December 31, 2005.

In April, 1999, CTC secured a loan from CoBank, ACB in the amount of \$1,700,000, of which \$1,699,760 was advanced as of December 31, 2005. The loan is secured by a Leasehold Deed of Trust and Security Agreement covering all real and personal property. In addition, the loan is secured by Personal Guarantee of Payment Agreements by certain shareholders of Cambridge Telephone Company, and Pledge Agreements for stock of Cambridge Telephone Company owned by certain shareholders.

An additional loan from CoBank, ACB of \$800,000 was arranged for in 2001, of which \$799,000 was advanced as of December 31, 2005.

2 Cambridge Telephone Company (Pledgor) is a member of Syringa Networks, LLC, an Idaho Limited Liability Company. In 2002, as security for an extension of credit by Rural Telephone Finance Cooperative, a South Dakota cooperative association (Lender) to Syringa Networks, LLC (Borrower), in the principal amount of up to \$30,000,000, Pledgor executed and delivered to lender a Pledge and Security Agreement and a Guarantee Agreement. Under these agreements, Pledgor has pledged and granted a security interest in its 7% interest in Borrower as collateral for Borrower obligations under its loan agreement with Lender, and has agreed to guarantee up to \$2,100,000 of Borrower's principal payment obligations under the loan agreement. Pledgor's investment in Borrower as of December 31, 2005 was \$658,389. (See Note 4)

3 In 2003, the Company received approval from the Rural Utilities Service (RUS) for new loans from RUS and the Rural Telephone Bank (RTB) in the total amount of \$17,143,950. The loans were approved by the Idaho Public Utilities Commission by Order No. 29399 dated December 10, 2003. The loans were finalized in 2004, and notes dated April 4, 2004 in the total amount of \$17,143,950 were issued. Funds totaling \$4,908,120 were advanced under these loans through December 31, 2005. From these advances, \$2,437,712 was used in 2004 to refinance the balance of the loan from CoBank, ACB.

4 In 2005, in accordance with Emerging Issues Task Force Issue 03-16, Cambridge Telephone Company (Company) began accounting for its 7.29% ownership in Syringa Networks, LLC (Syringa) under the equity method of accounting. Previously, the Company had used the cost method of accounting for Syringa. This change resulted in a retroactive recognition of cumulative equity loss in Syringa of \$11,494 through December 31, 2004, and equity income for the year ended December 31, 2005 of \$54,796

## **What if a Deposit is required?**

If we require a deposit or deny you service, you may request a written explanation and will be given a chance to discuss that decision with us. If you pay a deposit, you have the right to a receipt. Interest will be paid from the date the deposit is taken and until refunded or applied. Deposits, with interest, will be refunded promptly when you maintain good credit for twelve consecutive months. If a deposit is required, you have two alternatives available. You can either pay the deposit in cash or present a guarantee from a third party.

The amount of the deposit shall not exceed two (2) months charges for basic local telephone service plus two (2) months estimated or average charges for long distance service.

### **Guarantee in Lieu of Deposit**

If you cannot pay the deposit, we will accept a guarantee from another customer who has twelve months of good credit. The third party must guarantee and is liable for an amount equal to the deposit that would otherwise be required. The guarantor is released from this obligation when you have established good credit.

### **Complaint Procedure**

You may, at any time, file a complaint and request a conference with us. After we receive a complaint, we will start an investigation immediately. The results will be given to you and you will be given the opportunity to discuss the results. If you are still dissatisfied, a complaint may be taken to the Idaho Public Utilities Commission for review. Service will not be turned off during any part of this complaint procedure IF ALL UNDISPUTED BILLS ARE PAID.

### **Important Notice Concerning Purchase of Goods and Services by Telephone**

You have important rights under the Idaho Telephone Solicitation Act. Under this Act, it is illegal for persons attempting to sell you goods or services by telephone (telephone solicitors):

- To intrude or harass you in connection with the attempted sale.
- To refuse to hang up and free your telephone line immediately once you request them to do so.
- To misstate the price, quality, or availability of goods or services, or to fail to reveal all material terms relating to the sale of goods or services.
- To advertise, represent or imply that they have the endorsement of any government office or agency when they do not.

- To advertise, represent or imply that they have a valid registration number with the Attorney General when they do not.
- To use any unfair method of competition or unfair or deceptive practice.

Any person not yet 18 years old who purchases goods or services pursuant to a telephone solicitation may cancel the purchase within a reasonable time after the purchase is made. No parent or legal guardian having custody of a person not yet 18 years old is liable for the purchase of goods or services by a person not yet 18 years old pursuant to telephone solicitation. When you agree to purchase goods or services over the telephone, you may have a right to reconsider and cancel your agreement for three business days after receiving a written confirmation of the sale.

A person whose rights are violated by telephone solicitors may have the right to declare a contract of purchase null and void or invoke other remedies under the Idaho Consumer Protection Act.

If you believe that a telephone solicitor has done any unlawful acts, you may contact the Attorney General's office for assistance and information at:

1-800-432-3545 (toll free) or  
334-2424 (Boise area)

### **Idaho Telecommunications Relay Service**

The Idaho Telecommunications Relay Service allows individuals with a speech and/or hearing disability and hearing individuals to communicate via the telephone. Calls may be initiated by either text telephone or voice customers. Twenty-four hours a day and seven days a week, the Idaho Telecommunications Relay Service is ready to provide you with efficient, confidential communications services. If you would like more information about the Idaho Telecommunications Relay Service, please call 1-800-368-6185 (Voice or TT), or as of October 1, 2001, by dialing 711.

### **To Access the Relay Toll-Free Dial:**

1-800-377-3529 (TT)  
1-800-377-1363 (Voice)  
711 (After October 1, 2001)

### **The Residential Service**

This is a summary of the Idaho Public Utility Commission's rules and regulations regarding customer relations.

It is intended for your information only. We hope it will make you aware of your rights as a Cambridge Telephone Company customer and will better acquaint you with some of our operating procedures. This is only a summary. Should you need detailed information, the Cambridge Telephone Company office has a copy of the complete rules available for your use. Please contact us if you have questions.

## CUSTOMER BILLING INFORMATION

The charge for monthly local telephone service is billed one month in advance. All charges for long distance, message units, installation and changes in service on file at the time the bill is printed will be shown on your current bill.

## RULES FOR TERMINATION OF SERVICE

Cambridge Telephone Company must follow stringent guidelines before terminating basic local telephone service. Basic local service cannot be terminated for failure to pay long distance charges which may appear on Cambridge Telephone Company's monthly bill, if measures to prevent access to the other companies' services are available. Whether such measures are available depends upon the type of Cambridge Telephone Company equipment serving the customer. Basic local telephone service cannot be terminated if you let us know that you dispute any charges on your telephone bill until the dispute is resolved, but you must continue to pay the undisputed parts of the bill.

Telephone service can be disconnected with proper notification for one of the following reasons:

- Not paying undisputed delinquent charges or paying a delinquent bill with a check not honored by the bank.
- Failure to make a security deposit or failure to provide a deposit guarantee.
- Misrepresentation of identity to receive service.
- Failure to abide by the terms of a payment arrangement.
- Intentionally wasting or interfering with service through improper equipment or otherwise.
- Failure to apply for service with the telephone company.

## PROPER NOTIFICATION

Service cannot be disconnected without first notifying you in writing at least seven (7) days in advance. We must diligently try to notify you in person or by telephone 24 hours before disconnecting service. Only 24 hour notice will be given if you pay a bill with an insufficient funds check in order to avoid termination, or as the initial payment of a payment arrangement, or if you do not make an initial payment according to a payment arrangement.

## Restrictions on Terminations

- Your telephone service cannot be disconnected if:
- A past due balance is less than \$50.00 or for two (2) months service, whichever is smaller.
  - You are being charged for another customer's bill (unless you have a legal obligation to pay the other customer's bill or you are being charged for any other class of service).

- You fail to pay for purchase of services such as the following:
- Directory advertising.
  - Services not provided by Cambridge Telephone Company even though they may be billed with Cambridge Telephone Company services (e.g., 900 charges, operator charges from another company).
  - Equipment payments.
  - Inside wire maintenance.
  - Written guarantee for another customer.
  - Long distance charges by other companies, if we can block access to the other companies' services.

Your telephone service can be disconnected between the hours of 8:00 a.m. and 4:00 p.m., Monday through Thursday, and before noon on Friday. Service cannot be turned off after noon on Fridays, weekends, legally recognized Idaho holidays, or after noon any day before a legally recognized Idaho holiday.

## Termination Without Notification

Cambridge Telephone Company can terminate service without notification only under the five following conditions:

- A dangerous or hazardous condition exists.
- Service was obtained without authorization or knowledge of the telephone company.
- By order of any court, the Public Utilities Commission, or any other authorized public authority.
- If we have diligently tried to notify you but have been unsuccessful in our attempts to contact you.
- You have misrepresented your identity, have inadequate security with the company, and have an outstanding bill exceeding \$100.00.

## PAYMENT ARRANGEMENTS/ PARTIAL PAYMENTS/DISPUTED CHARGES

If you cannot pay the entire bill, payment arrangements can be made with us to pay part of the amount immediately and the remainder in installments. A payment schedule will be developed that is individually tailored to your need and ability to pay. If you cannot pay a bill in full, or if you dispute a portion of the charges, you may tell us how to apply your partial payment to charges for local service, long distance and other services. When you make partial payments without directing how they are to be applied,

outstanding charges (including those disputed by you if you have not notified us of the dispute). If you want to avoid disconnection of your local service, it is wise to direct that your partial payment first be applied to the charges for that service.

## UNAUTHORIZED CHANGE TO ANOTHER LONG DISTANCE CARRIER

The Federal Communications Commission has revised the existing rules related to authorization and verification for changes in preferred long distance providers. If you have been slammed (unauthorized change of your long distance carrier) you may be absolved from paying unpaid charges for 30 days after an unauthorized change. The FCC rules prohibit Cambridge Telephone Company from verifying carrier changes submitted by long distance carriers. If you do not currently have a preferred carrier freeze, you may choose this option to eliminate an unauthorized change of your long distance carrier. If you do have a preferred carrier freeze and want to change your carrier, you must call our office or give written notice to lift any preferred carrier freeze. If you have any questions about these new rules you may contact our business office.

## MEDICAL EMERGENCIES

You can delay termination of service for 30 days by obtaining a certificate from a doctor or public health official stating that a medical emergency exists or would be aggravated if your phone service were disconnected. A second extension may be granted if another certificate is presented. Payment arrangements must be made before the 30-day expiration date. The certificate must be signed by the person diagnosing the medical condition and must name the person affected.

## RULES FOR DEPOSIT

We may ask you to pay a deposit if a deposit is required. A deposit is required only if:

- You have not paid an undisputed bill with any telephone company for service received in the past four years.
- Your service was terminated for one of the following reasons:

- Nonpayment of any undisputed delinquent bills.
- Misrepresentation of your identity for the purpose of obtaining telephone service.
- Failure to pay for damages caused by negligence.
