IDAHO PUBLIC  
UTILITIES COMMISSION

Please pass this on  
to the Commission

Robert V. and Colleen Hough

I did not get a  
letter sent to the  
Idaho Public Utilities  
Commission - so  
please pass this on to  
them - We are against their  
agenda asking for an increase  
of the rate change and any  
other higher increase I write  
Wont. Enough is Enough!
