Sirs

I want to ask you to please turn down Avista's request for a rate hike in the gas and electric rates that Avista is requesting again. They do this most every year with know thought as how it causes a hardship on the rate payers.

I realize they want to keep there dividends to there stock holders as high as possible, as they stated one year, 10% interest on there investment.

Please consider the rate payers before allowing this new increase.

Sincerely

V. L. Green

Please DO NOT let Avista raise the rates in North Idaho again !! How many more home foreclosures do we need. Everyone is struggling right now, just to get by and some are not even doing that. Unemployment is at its max. While Avista Ceos wages and bonuses (published in the newspaper) are more in a month than majority of Idahoians make in a year !! How dare they ask for another raise !! Enough is enough, DO NOT RAISE RATES !!
