Dear Commission,

It's time to 'listen'!

to the people of Idaho

suffering in these economic

times not to grant a rate

increase to Avista Power of

14% when our 5.5 is frozen

at 8%. They can find

a way to tighten their

belts or "Bite the Bullet"

we suffered under Reagan

Help us out and not

be influenced by the money that

appointed you. Thank you.
Roger Jollibaugh Lewiston
1735 Ripon Ave 83501

P.S. Avista is asking
every year for a rate increase!
above the rate of inflation!!

Do Your Duty to
Serve the Citizens of Idaho
who you are sworn to
protect
