Dear Ms. Sasser;

Thank you for your letter and worksheets dated May 13, 2013 in which you provided the variable energy rate applicable to deliveries commencing July 1, 2013 extending through June 30, 2014 with updated prices for the adjustable portion of the avoided costs rates under the present avoided cost methodology. Your letter also provided an update to the adjustable rate portion of avoided costs for QF contracts using variable costs associated with Colstrip and for PacifiCorp contracts with 1992 amendments.

PacifiCorp has reviewed these proposed prices and acknowledges that the prices have been updated correctly. The Company accepts the new schedules as accurate.
