RE: Report on Residential Time-of-Use Pricing

Dear Ms. Jewell:

On September 12, 2002, Idaho Power submitted its report to the Commission on the viability of residential time-of-use pricing as directed by Order No. 29026 in Case No. IPC-E-02-2 and Case No. IPC-E-02-3. It has been brought to my attention that the table included on page 29 of the report shows only partial column headings. Enclosed is a revised page 29 which shows the complete column headings.

If you have any questions, please feel free to contact me.

Sincerely,

Maggie Brilz
