)

As directed by Order Nos. 28894 and 29026, Idaho Power submitted a "Report on Residential Time-of-Use Pricing." The Commission issued a Notice of Filing, Modified Procedure and Comment Deadlines with regard to the Report on September 27, 2002. On October 4, 2002, Idaho Power Company filed a Motion for Additional Time to File Reply Comments. The Company was concerned that the nine days between the comment deadline (November 4) and reply comment deadline (November 13) would be inadequate to review, prepare and file meaningful reply comments. The Commission Staff likewise filed a Motion for Extension of Comment Deadline on October 10, 2002 so that Staff would have adequate time to receive and incorporate the Company's production responses into its analysis before filing comments.

It has been represented to the Commission that counsel for Idaho Power, the Commission Staff and the Land and Water Fund have endorsed a longer comment period that will allow for additional discovery and accommodate Idaho Power's requested reply comment extension. These interested parties have endorsed a Comment Deadline of December 6, 2002 and a Reply Comment Deadline of January 17, 2003. In this Order, the Commission accordingly modifies the comment deadlines previously set to facilitate the discovery and filing preparation needs of the participants.
