

BEFORE THE IDAHO PUBLIC UTILITIES COMMISSION

**IN THE MATTER OF THE APPLICATION)
OF IDAHO POWER COMPANY FOR) CASE NO. IPC-E-05-37
APPROVAL OF A CONTRACT TO SUPPLY)
STANDBY ELECTRIC SERVICE TO THE) MINUTE ENTRY
AMALGAMATED SUGAR COMPANY, LLC)**

On January 26, 2006, the Commission in Order No. 29958 approved a December 7, 2005, Agreement for Supply of Standby Service (Agreement) between Idaho Power Company and the Amalgamated Sugar Company (TASCO) for service to TASCO's Nampa, Paul and Twin Falls, Idaho facilities.

On February 23, 2007, Idaho Power caused to be filed a Letter Agreement between the Company and TASCO reflecting an increase in the supplemental contract demand amounts at the Nampa, Paul and Twin Falls facilities. Agreement § 4.4.

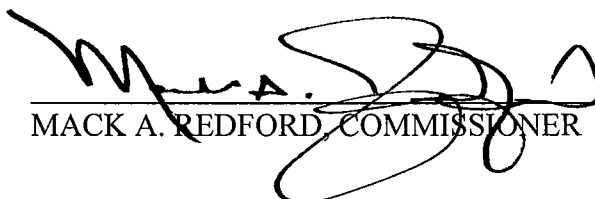

On June 9, 2008, Idaho Power caused to be filed a Letter Agreement dated May 22, 2008, between Idaho Power and TASCO amending the Agreement to include the supplementary contract demand amounts formerly contained in the Uniform Service Agreements under which Idaho Power provides demand and energy to TASCO's Nampa, Twin Falls, Paul facilities. The change is required to conform with general rate case Order No. 30508 and the Commission's authorized termination of all Uniform Service Agreements between Idaho Power and its customers effective March 1, 2008.

The Commission by this Minute Entry acknowledges receipt of the Company's February 23, 2007, and June 9, 2008, letter filings and the respective January 31, 2007, and May 22, 2008, Letter Agreements between Idaho Power and TASCO.

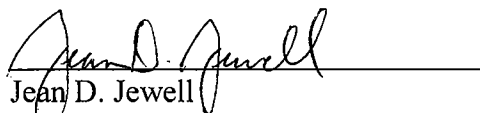

DATED at Boise, Idaho this 7th day of May 2009.
