Please describe your comment briefly:

Several months ago, I requested that the IPUC provide copies of public records of formal and informal complaints against Idaho Power Company regarding implementation of AMR - AMI which includes installation of the smart meter.

The copies provided by the IPUC had redacted the names or companies of the complainants. It is my belief that this redaction was an improper procedure by the IPUC as I was entitled to full public record.

I wish therefore, to appeal my case IPC-E-12-04 and IPUC Order No. 32500.
