)

On October 24, 2013, Idaho Power Company filed Tariff Advice No. 13-05 with the Commission seeking authority to update its Schedule 86. On December 6, 2013, the Commission issued a Notice of Filing and set a deadline for intervention. Order No. 32945. J.R. Simplot Company; Cassia Wind Farm, LLC; SE Hazelton A, L.P.; Fulcrum, Inc.; BP Hydro Associates; Bypass Power Company, Inc.; and Notch Butte Hydro Company, Inc., petitioned for, and were granted, intervention. Order No. 32960. A Notice of Parties was issued and, pursuant to the Commission's directive, the parties met to discuss a procedural schedule, service of discovery, and other issues pertinent to the processing of this case. The parties proposed, and the Commission adopted (Order No. 32985), the following procedural schedule:

March 4, 2014	Meeting to discuss settlement
March 13, 2014	Prefiled direct testimony for Idaho Power
April 3, 2014	Prefiled direct testimony for intervenors and Staff
April 24, 2014	Rebuttal testimony deadline
May 2, 2014	Technical hearing

Settlement discussions held on March 4, 2014, were fruitful and have resulted in a potential settlement of all issues in this case. In order to allow adequate time to review and complete a proposed settlement, the parties have requested that the Commission suspend the remainder of the procedural schedule and vacate the technical hearing scheduled for May 2, 2014.

Based on the agreement between the parties, and in order to allow adequate time to finalize the details of a settlement proposal, we find it reasonable to suspend the procedural schedule in this case and vacate the technical hearing formerly scheduled for May 2, 2014.

ORDER

IT IS HEREBY ORDERED that the procedural schedule for Case No. IPC-E-13-25 is suspended.

IT IS FURTHER ORDERED that the technical hearing scheduled for Friday, May 2, 2014, is vacated.
